

January Presidents Letter

From the President,

Well it's about time! 2009 is here and hopefully Mother Nature has Decembers weather out of her system? Hope everyone survived with minimal damage? I don't know about you but our horses were so board and stir crazy that we are paying for that now!

Show season is fast approaching, and we have many changes in store! For those of you that were unable to attend the banquet and annual meeting, our 1st show is set for March 14 and 15 at Madras Oregon. Norton's arena is a wonderful place and cattle are plentiful.

Due to changes in 2 1/1 Minutes, that magazine will no longer be published! That leaves a void for us and all of the area affiliates/clubs in the manner in which we get our news too you! We are focusing on our web site as our main source of information. Our website committee is working fast and furiously getting this updated and available. So please keep checking back as they hope to have it completed in a few weeks' times. I know that some of you don't have website access? So please let Becky know and we will see that you have a copy mailed to you. All show schedules and show notices will be published on the website, as well as updated results and standings. There will be an online entry system available also. The committee has many plans that will be implemented over the next few months, and they have mentioned that they might be calling out to our members for help obtaining news and the like. So watch out!

I would also like to welcome new board members Brad Smith and Josh Sleeman. I look forward to working with you and all of the returning board and officers. Again keep checking the website at wchacutting.com, and I will see you at the first show!

Scott
