## ATTENTION NOVICE CUTTERS

In an effort to promote our sport and to encourage new cutters, Washington Cutting Horse Association is offering a NEW CLASS with a special awards program this year! We would like to invite all eligible individuals to participate.

The class is the 1000 Novice Rider. Anyone with less than \$1000.00 in earnings may compete on any horse. WCHA is waiving membership fees for this class only. In order to provide new or beginning cutters with the best experience, the class will be held towards the middle of the day when our trainers are available for you. This will be a used cattle class with low entry fees.

The class will be offered Saturday and Sunday at our first five weekend shows and then on Saturday only at the Finals Show. The three top placing contestants from each of these classes will then be eligible to compete in a Championship Class to be held on Sunday at the finals show. Awards will be presented to the top five places.

WCHA is also offering the 2000 Limit Rider Class on Saturday and Sunday at every show along with a Never Won A Buckle Class on Saturdays at each show. Come and show with us! We have a great time and want to encourage everyone to participate. This is a good opportunity to meet fellow cutters and have the chance to learn from our great and willing trainers. Watch for further information on our Web Site ([www.wchacutting.com](http://www.wchacutting.com)) or give one of our board members a call if we can be of any additional help.

Note: 1000 Novice Rider is also a WCHA approved. class. In order to be eligible for our year end award program you must be a member of WCHA. These point standings will be separate from the above offered class.
